Northland and North Auckland state highway maintenance

We manage and maintain the state highways across Northland and North Auckland, from north of Woodhill and Warkworth to Te Reinga (Cape Reinga).

We're changing how we notify you about maintenance work.

For safety and environmental reasons, we're phasing out sending physical letters for maintenance activities. Instead, we'll provide email updates.

Sign up for email updates to receive notifications about maintenance work in your area.

To sign up, simply scan the QR code(s) below for the relevant area(s) and complete the form(s):

North Auckland state highway maintenance

(from SH16 north of Woodhill & SH1 north of Warkworth to Wellsford)
